

## Our attractive rates

Our prices are very competitive. Already for 4 persons you can enjoy a week holiday with prices from 300 Euro, including electricity, use of sauna, boat and fishing rods.

Get away from the mass, enjoy local hospitality, peace, crystal clear water and air.

No mass tourism, enjoy a stay far away from others with complete privacy.

Here you can still enjoy real silence, no light and sound pollution, but only nature and animals around you. Our beavers are your neighbours.

## Our 5 star rating
